First Day of Class & What to Expect

- Please arrive 15 minutes early to your scheduled class time. The first day of lessons can create a small backup as we help people find properly fitting skates, explain our program, get forms signed, and answer questions.
- If you registered online, you will need to pick up your student ID AND sign the Learn to Skate contract. After the first week there is no other paperwork, and the check in process will become much faster.
- We recommend wearing long socks and comfortable clothing. We are a room temperature rink, so thick coats and snowsuits can actually cause skaters to overheat.
- For beginners (Snowbunnies, Intro, Adult 1, and Parent & Me students), the first class begins off ice to go over safety and precautionary measures. There will be a run through of "falling on the ice and how to get back up", some kiddos may want to have gloves on.
- Helmets and safety pads are optional, but not required. We sell helmets in limited sizes & quantity
